

RAMISA ANAN ORNI

Software Developer

☎ 01631620161 ✉ ornianan62@gmail.com
📍 South Badda, Dhaka  Ramisa Anan Orni

Passionate and detail-oriented, I'm focused on continuously growing in my career and taking on new challenges that push my skills further. I adapt quickly, enjoy solving complex problems, and thrive in environments where I can learn, contribute meaningfully, and create lasting impact through my work.

EXPERIENCE

Full Stack Developer

AgriCore

April 2026 - Present

- Implemented Cloudflare RealtimeKit REST API integration (Meeting, Participant & Token APIs) with Django REST Framework and Next.js for secure browser-based video consultations.
- Developed and maintained responsive web interfaces using React.js and Next.js, ensuring smooth user experience and clean, reusable component design.
- Contributed to ERD design and documentation for new modules. Worked with Git for version control in a collaborative development environment.

Business Analyst Intern

Synesis IT PLC

August 2025 - November 2025

- Assisted in drafting, editing, and reviewing official and project documents for government-related work, ensuring accuracy and compliance.
- Created and maintained process flow diagrams and system documentation to clearly represent business requirements and workflows.
- Collaborated with stakeholders to gather, analyze, and document requirements, supporting alignment between business needs and system design.

Web Developer Intern

Dream71 Bangladesh Ltd.

May 2025 - July 2025

- Developed and maintained responsive web pages using HTML, CSS, and JavaScript to enhance user experience and functionality.
- Assisted in drafting and reviewing technical documentation to ensure clarity, maintainability, and alignment with project requirements.
- Collaborated in the software design process by analyzing system architecture, suggesting improvements, and implementing features that supported project goals.
